## WINE LIST

The idea of a Basque Restaurant in London was hatched while on a sourcing trip for our wine import business, which in 2017 will be celebrating its fourteenth anniversary. The majority of the wines on this list are sourced, imported and delivered by ourselves, ensuring quality, originality and genuine value for our guests. Wine very much remains at the heart of Donostia Restaurant and we hope you enjoy the lesser known grape varieties and regions from our discoveries as much as the well-known wine growing regions.

Amongst the Spanish wines we make a real effort to emphasise wines from the Basque lands, including Txakoli, Irrouléguay & Basque Natural Cider.
